

# Operation Wildcat

*"Meeting the needs of All Students in our District"*

## Operation Wildcat Holiday Projects

It is Operation Wildcat's mission to pool the resources in our community to help students and families in need. Over the past years, OW has seen an increase in needs, and with limited resources, we have revised several of our programs to ensure our ability to assist as many as possible.

### Project Legacy:

If a family received assistance from Legacy the prior year, they will be ineligible to receive assistance from Project Legacy the current year. Family can still receive holiday gifts for their children from Gift Box.

### Project Tannenbaum:

A family can only receive one artificial tree from Tannenbaum. If a family received an artificial tree in prior years, they cannot get another tree in future years. They can get ornaments, etc.. Families that received a coupon for a live tree can get a coupon for a live tree every year, in addition to ornaments.

### Project Gift Box

All gifts will be distributed from MMS, including gifts for high school students. This will enable all families to "shop" for back to school items, books, clothes during the Gift Box Distribution.

All students will receive ONE \$25 gift.

1. Families of elementary students will have a choice of naming a gift or a gift card they want for their child.
2. Families of middle school students will have a choice of naming a gift or a gift card they want for their child.
3. Families of high schoolers will be able choose what kind of gift card they want for their child.
